Subject: Bristol Bay-- revised wording for Contract
Revised Wording EPA SOW Nov 8 2010.docx

Hi all,

Please see attached word document with the revised wording. Phil I edited the Tasks a bit, please read carefully and make sure I haven't altered your original meaning.

Please use track changes if you want to edit/change anything—that just makes it easy to see what you did.

I'll need your confirmation this is a go before I work with my HQ folks for NatureServe official response to EPA.

Cheers

Gwen

P.S. Keith I'm cc-ing you to keep you in the loop, but I didn't think it critical for you to be on today's call.

"Never in his life had he seen a river before –

This sleek, sinuous, full-bodied animal, chasing and chuckling, gripping things with a gurgle and leaving them with a laugh... All was a-shake and a-shiver—glints and gleams and sparkles, rustle and swirl, chatter and bubble."

--Wind in the Willows

This Email message contained an attachment named image001.jpg which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
